BBCI Spearheading CSR activities to British Bangladesi business Communities in UK

BBCI contribution to NHS Charities

The historic 'Cheque Presentation Ceremony' to NHS Charities Together (NHSCT) by the President Bashir Ahmed of British Bangladesh Chamber of Commerce & Industries BBCI and the representatives from the NHS, NHSCT organised by Channel S took place outside the Royal London Hospital, Whitechapel, East London on Thursday the 24th September 2020.

BBCI discharged their corporate social responsibility by raising funds for NHS for their services to the community during the unprecedented period of Covid 19. BBCI also believes in working together with other community organisations to raise awareness, funds and working with community tv channel S for a good voluntary cause.
